

B1 Flyaway Kit Medium

LK5122F

henchman
products

Our standard LAME kit is used extensively by a growing number of airlines and MRO's worldwide. The tools have been carefully selected based on direct input from the industry. We have put together a kit combining top quality brands of tools which are ideally suited to the mechanical maintenance of an aircraft. Tools are laid out in two-colour high density foam which provides visual tool control. Excellent for flyaway applications or issued personal toolkit.

Specifications

- A selection of commonly used tools for LAME work
- High quality brands such as PROTO®, Wiha, Knipex
- Waterproof, virtually indestructible, Skydrol-resistant case
- Visual tool control
- Extremely compact
- Suited to PART 145 compliant organisations

About Henchman

Henchman Products is an international single-source supplier of premium tools, specialised tooling solutions, repair and calibration services and toolkits for specialised industries such as aerospace, electronics, defence, field and plant service, transportation, mining & energy, assembly & manufacturing and more.

Henchman toolkits with Visual Tool Control and Electronic Tool Control are renowned for their superb quality finish and design and are available for purchase globally.

Whatever your requirements, with our range we can empower you to work professionally!
