henchman
products

Complete toolkit available with a selection of the most commonly used tools from the highest quality brands in the mechanical maintenance of aircraft. This toolkit is supplied in two colour high density foam which provides visual toolcontrol.

All foams are cut in-house in our facility by our experienced staff giving you better service, quality and quicker lead times. We also offer laser marking service meaning all your tools can be delivered with your company name and tool kit number, giving even the most basic tool control system a high level of accountability and control.

Dimensions: 581 x 381 x 455mm
