

Comprehensive Sheetmetal Kit

henchman
p r o d u c t s

SHM4111F

The Sheetie toolkit includes a useful selection of commonly used tools for structural maintenance of aircraft. It covers a pretty comprehensive range of air tools, riveting tools, temporary fasteners and drills set out on convenient holders, and hand tools.

This toolkit is supplied in two-colour high density foam which provides good visual tool control to prevent FOD issues Excellent for maintenance applications in the hangar.

Specifications:

- A selection of commonly used tools for mechanical work
- High quality brands such as PROTO, Wiha, Knipex
- Heavy Duty Rollcab
- Visual tool control
- Suited to PART 145 compliant organisations
- Dimensions: 1056W x 460D x 1033H

About Henchman

Henchman Products is an international single-source supplier of premium tools, specialised tooling solutions, repair and calibration services and toolkits for specialised industries such as aerospace, electronics, defence, field and plant service, transportation, mining & energy, assembly & manufacturing and more.

Henchman toolkits with Visual Tool Control and Electronic Tool Control are renowned for their superb quality finish and design and are available for purchase globally.

Whatever your requirements, with our range we can empower you to work professionally!
